* Where: Red Lobster, 2131 Northgate Mall; 2200 Bams Drive; 901 West Bridge Road, Dalton, Ga.

* What: Cooked over the signature wood-fire grill, the Peppercorn Crusted Salmon is a favorite dish of both guests and crew because of its fresh, simple flavors, said Travis Stewart, general manager of the Hixson store. The grill uses oak to bring out the natural flavors of the salmon. Just before serving, it's finished with a drizzle of soy-wasabi sauce. "This recent addition to our wood-fire grill menu is just one example of how we've updated Red Lobster restaurants in Chattanooga to bring our guests delicious, high-quality, affordable seafood in an inviting, relaxed environment," Mr. Stewart said. While dining, make sure to check out your new surroundings. All the Red Lobsters have a new look.

* Price: \$13.50 (lunch portion), \$14.50-\$19.99 (dinner portions). Comes with salad and bread.

* Phone: 870-2371 (Northgate); 490-3488 (Bams Drive); 706-279-3601 (Dalton).
