

ALLERGEN GUIDE

US RESTAURANTS

Information Valid 2/6/2017-3/6/2017

Because of the handcrafted nature of our menu items, the shared cooking and preparation areas of our kitchens, and our reliance on suppliers for accurate information, we cannot eliminate the risk of cross-contact or guarantee that any item is free of any allergen. Please also note that this information does not indicate which items may have been made in a facility with an allergen. * Lack of gluten-containing ingredients **does not** necessarily meet the definition of "gluten-free" for those who are highly sensitive. When placing your order, please let your server know if you have a food allergy or intolerance.

Unless noted, information excludes the sides, dressings and dipping sauces that may be automatically served with your meal, shown separately within this guide.
